### FROM THE COMMITTEE

-  On Thurs May 18th the Committee had our annual Strategic Planning Meeting with the wonderful Barbara Chappell
-  After requests from a few vollies, Krewsdays on the last Tuesday of each month are now times for vollies to bring along and work on their own bikes in the workshop.
-  We won some more grant funding! We received a Discretionary Ward Allowance from the City of Charles Sturt for a new parts washer and silent air compressor

### IN THE SPOTLIGHT

# PAUL B

is truly the rock of ABK. He gives us endless time and dedication and is always the first person to step up when we are in a tight spot. Paul is always happy to help with the tough jobs AND provides the expertise to solve the most complicated bike problems. Thanks Paul, you're the best!

## VOLUNTEER WEEK BIKE MOVIE NIGHT

On Saturday May 17th we had a movie night and community dinner to celebrate all our wonderful volunteers and the love and effort they pour into running our great little community.

We watched Premium Rush, then we all removed the brakes from our bikes. It was a nice & cosy evening under the glow of the new heaters we got through our DHS Minor Round grant funding.

**MAY  
MOON  
RIDE**

It was Wills Bday so we headed out for a special ride around the West Parklands and up to high ground for a good howl at our planet moon!

# SPECIAL INVITE

Our friends at Human.Kind would like to extend a special invitation to you to attend their Yarn From The Heart event **at the Human.Kind City Studio on Friday 9th June from 6-7pm.**

There's a profoundly important referendum happening this year. About enshrining a First Nations Voice to Parliament in the Constitution. It's the first reform listed in the Uluru Statement From The Heart. A historic invitation to all Australians to help carve a better future for Aboriginal and Torres Strait Islander People.

This evening will be one of crucial learning and conversation with Kenny Bedford, Traditional Owner from the Meuram Clan of Erub in the Torres Strait Islands, signatory to the Uluru Statement and Reconciliation Australia Director. We'll also be joined by Kurna woman, professional dancer and First Nations rights advocate Jakirah Telfer.

We'll sit and listen. Learn about the background of the historic Statement. The generations of community perseverance. Discover how we can support the cause so that Indigenous people can take their rightful place in their own country.
