IN THE SPOTLIGHT

JOSH

A very considerate, excellent volunteer. Josh sees a problem and gets to it, a great self starter. Josh takes so much initiative, we love it! He even lead a Full Moon Ride as a brand new volunteer! With amazing commitment right off the bat, we are so lucky to have Josh on the team. After participating in 2025's Advanced Mech Course Josh is becoming a very promising mechanic.

Josh, you exude enthusiasm and we are so impressed with your creativity and talent as an artist. We are so grateful to have you as part of the ABK community . Thanks for jumping in with us, we really appreciate everything you do <3

Volunteer Party

We had a shindig to thank all the amazing peeps who make ABK what it is. We had games and a quiz and much merriment. Thanks to Tristan, Bridgette, Katharine & Emmeline for organising another fun time at Rewind Studios <3

Bike Blitz & Moon Ride

Thanks to the amazing support for our Bike Blitz! We had over 30 people show up to lend a hand and got an amazing amount done. We were so busy we forgot to take photos! Here is a photo from the lovely Moon Ride that followed
