## IN THE SPOTLIGHT

# JACK

One of the ABK original crew that we are very glad to have back in the fold. He has exceptional creativity and commitment to the bit and looks really great in a purple tracksuit.

Jack was part of the team who pulled off our awesome Halloween Party last week. He has more soundsystem than most nightclubs and really made it a banger. He is also pretty good around the workshop too, with a can do attitude and lots of mechanic experience. A friendly chap who is happy to work with anyone.

Thank you Jack for pulling off a party beyond our wildest dreams. We hope you had a Happy Birthday, not too partied out <3

## WHAT A PARTY!

Thank you to everyone who made our Halloween Party such a success, especially our pals from Duck! Radio, Dancing Monsters, Sharehouse and Rewind.

We raised almost \$5000 from our loving community and had an extremely fun time. It was so fun we think we might have to do it again soon ❤️
