-  We are looking to run a Locals Night to get better connected with all the new neighbours in Bowden. Stay tuned for a date but please get in touch if you are a local wanting to engage more with our lovely bike workshop.

IN THE SPOTLIGHT

KATHARINE

a new vollie who has seamlessly become one of the team. She is always welcoming and doing an amazing job at FOH, if she is rostered on we can relax knowing everything is covered AND she will always be up for an interesting chat. Thank you Katharine for stepping up and becoming such a reliable regular!

40 brave souls came to be part of an apocalyptic ride around Port Adelaide for our annual Halloween Ride.

We saw so many cool parts of the Port, got a few fun and loud horn honks from the freighty and had a blast riding in a group of silly, fun-loving folk. Thanks for coming out, everyone!
