HUTT ST REVITALISATION CONSULTATION

City of Adelaide has put out to consultation 5 concept designs for Hutt St. Consultation is open at <https://ouradelaide.sa.gov.au/hutt-street> til 28 March.

We encourage ABK members to make a submission directly via email to feedback@huttstreetupgrade.com.au instead of via the survey tool.

Have a look at the proposed concepts and make it clear in your submission that you support the best and safest outcomes for cyclists as in the continuous separated bike path in Concept D. We also love the enhanced pedestrian space and improved greening outcomes included in Concept D.

IN THE SPOTLIGHT

DUCK! RADIO

ABKs favourite housemate, congratulations on your 2nd birthday!

Duck! Radio moved into ABK 2 years ago and it has been a joy to watch their community grow. Listening to fancy tunes uplifts us every Sunday. The way Duck! Radio support and encourage community members to express themselves on the airwaves is inspirational. Thanks for moving in with us Duck! and for giving our community cultural depth in directions we never imagined <3

DOCKSIDE FESTIVAL

On the weekend of Feb 8th & 9th we headed along to the Dockside Festival in Port Adelaide. Bridgette put together an awesome community artwork that saw people draw themselves riding bikes along the wharf. Thanks to those that came along to say hi!

Saturday February 22nd brought Dom Whittings Drum n Bass on the Bike to Bowden with around 2000 riders! ABK was there saving the day as the start line was a paddock full of three corner jacks! We fixed 50+ punctures before the ride got started. It was a fun party in the end once everyone got rolling
